***VISION***

We aspire to impart an effective education and innovative learning environment to meet professional opportunities in Information Technology along with the challenges in real world.

***OUR VISION******MISSION***

- ❖ To set an advanced education method for developing the cognitive strength of students and motivate them to get updated knowledge in the emerging trends in information technology.
- ❖ To build a Centre of Excellence in education and research in the field of Information Technology to meet global challenges in computing industries.
- ❖ To ignite the mindset, skill, attitude and core competence of students to produce graduates with International standards.
- ❖ To encourage our students to be a good leader by improving their ability in decision making and problem solving along with ethical values.
- ❖ To update innovative research in IT to serve the needs of industry, government and society.

***3<sup>rd</sup> Graduation Day***

The **3<sup>rd</sup> Graduation Day** was held on **22<sup>nd</sup> August 2018**. This Prestigious function was presided over by **Dr. B.Babu Manoharan, Chairman**, St. Joseph's Group of Institutions, and graced by **Mrs. Jessie Priya, Managing Director, Mr. Shashi Sekar, Director**, St. Joseph's Group of Institutions. **Mr. M.Siva Kumar, Chief Executive Officer, ICT Academy** and **Mr. Madan Singh, Delivery Manager – IBU, Banking & Financial Services – Tech Mahindra** will deliver the graduation address and confer the degrees to 505 new graduates.

The College has bagged **13** University Ranks in Anna University Examinations held in May, 2017 which added a feather to our crown. All the **Rank Holders** are honoured with a Cash Prize of **Rs.25, 000/-** & Shields. The total prize money values to about **Rs.3.25 Lakhs**.

## PLACEMENT DETAILS

Out of the **505** students who receive their degree, **245** of them have been placed through **campus interviews**, **55** through **off campus** interviews and **10** of them have become entrepreneurs. The students were placed in many leading organizations like Cognizant Technology Solutions, Wipro, Infosys, Mu-Sigma, Tech Mahindra, Zoho, CSS, Mphasis, Tychons, Wolters Kluwer, Accenture, Mindtree, Financial Software Services, Transun Technologies, Flextronics, Menaka Electricals, SSWLIndia, VVDN, Torry Harris, etc., with a salary package ranging from Rs. 2.4 lakhs to 7.6 lakhs per annum.

## HIGHER STUDIES

60 students are pursuing their higher studies at various universities in India as well as abroad. Students have got admission into top ranking Universities like Stanford University, Queens University, Clemson University, University Of Massachusetts, University Of Central Lancashire, Texas Tech University, Texas A & M University, Karlsruhe Institute Of Technology-Germany, Edinburgh Napier University, National University of Singapore, Illinois Institute of Technology, NJIT, University of West Virginia, Leeds University (UK), North Carolina State University, IITs, IIMs, NITs, etc, through our Advisory Bureau for Higher Studies (ABHS).

## CO-CURRICULAR ACTIVITIES

Our students have won Young Engineer Award given by The Indian National Academy of Engineering (INAE), for the best innovative project.

## *Advisory Bureau for Higher Studies*

The Advisory Bureau for Higher Studies (ABHS) is functioning as a separate wing with the prime notion to serve the student community for getting higher studies admission in India and abroad. The main objective of ABHS is to enable the students to prepare for the tests like GRE, TOEFL, GMAT, IELTS, GATE, CAT etc. ABHS has the latest information, books and CD's regarding GRE, TOEFL, GMAT, IELTS, GATE and CAT. For the benefit of the Hostel students, coaching classes for the qualifying exams like GRE, TOEFL, GATE and CAT have been arranged in the campus.

ABHS also organizes guest lectures and seminars to equip the students for pursuing higher studies in India and abroad. Various Workshops and seminars are handled by resource persons from IDP, USIEF, Cambridge University, British Council and other higher studies agencies. Apart from this, the students are exposed to the first hand information from Associate Director, Deans, Department heads and faculties from many educational institutes like University of California, University of Pennsylvania Graduate school of Education, Swinburne University, University of Sussex, Illinois Institute of Technology, Rochester Institute of Technology, SUNY and Southern Illinois University. The Academicians have visited our campus and also briefed the students about the application process, scholarships and requirements in their respective universities.

Our students have got admission into various top ranking universities in different countries like USA, Australia, UK, New Zealand, Canada, Germany, Sweden and Singapore. To name a few, University of Texas, Stanford university, NJIT, Carnegie Mellon university, University of Massachusetts, Arizona State University, North Carolina state University, Illinois Institute of technology, University of Pennsylvania, Leeds university, University of Birmingham, NUS, NTU, University of West Virginia, MRIT, University of MTU, McGill University etc.

***The number of students who have got admission for higher studies during recent years is as follows:***

S. No	Academic Year	No of students*
1	2017 - 2018	60**
2.	2016 – 2017	55
3.	2015 – 2016	51
4.	2014 – 2015	43

***\*This is the number of students who have gone for higher education immediately after the completion of their course***

***\*\*The admission process is still going on.***

Apart from this many students are pursuing higher studies in India like NITs, IITs, IIMs, and IIPM.

The Business English Certificate (BEC), a certification from Cambridge University is a qualification in English for work. It is given under three levels - Preliminary, Vantage and Higher. All the second year students are given BEC training for a week and then they take the BEC examination, conducted by the Cambridge University in our campus. For the past six years, our college is the best preparatory center and this year we have been awarded as the **“South Asia’s best 25 preparation center”** by the Cambridge University.

## CONQUISTA 2018

### DISTRIBUTION OF 841 PLACEMENT ORDERS TO THE PLACED STUDENTS

**CONQUISTA'18** – the word that makes us well with pride of our achievement. CONQUISTA is the ceremony of issuing the offer letters to the students recruited through campus placement. It was held on **April 7<sup>th</sup>, 2018** with grandeur.

The function was presided by **Mr. G.Muthuvel, Vice President, GLOBAL Delivery Head, Data & Analytics Unit, Center Head, Infosys, Chennai** who handed over the offer letters to the students in the presence of **Dr.B.Babu Manoharan, Chairman, Mrs.B.Jessie Priya, Managing Director & Mr.B.Shashi Sekar, Director and Dr.Vaddi Seshagiri Rao & Dr.P.Ravichandran, Principals of St Joseph's Group of Institutions**. Human resources - Campus Hiring from Cognizant and Infosys were also present as 'special invitees'.

We are proud to inform that we have achieved a placement record of **841** so far in this year. It is indeed a golden feather in the cap of St. Joseph's Group of Institutions.

## ***PLACEMENT ORIENTATION PROGRAM***

The Centre for Training and Placement has conducted Aptitude crash course for second year & third year students by Vista Mind. Placement Orientation Programme-I (POP I) was also conducted for third year students. Faculties from various departments contributed for the orientation program. Department of Mathematics were instrumental in delivering aptitude, logical reasoning sessions. Technical sessions were handled by the concerned departments and Soft skill was handled by the faculty from Business administration, English and some faculties from Engineering Departments.

Placement Orientation Program-II (POP II) was conducted for the final year students by Vista Mind and trained them on soft skills, quantitative aptitude skills etc., to prepare them for placement recruitments. Also POP III, a company specific training programme was conducted by SMART to crack Cognizant, Infosys Wipro test pattern. The Centre for Training & Placement conducted Online aptitude assessment tests on every week for all the students through the Skill Rack portal.

## ***COMMUNICATION SKILL ENHANCEMENT PROGRAM***

Centre for Training and Placement of St Joseph's is largely responsible and committed towards the identification and catering to the need of training of students so that they are able to develop a good personality; and assist them to find the right job and help them place in the right companies before they pass out. We realize that in order to convert a raw student in to an employable graduate, several behavioural attributes need to be addressed in addition to the development of technical skills. Some of the behavioural attributes are good communication skills, developing positive attitude towards work, and understanding of moral and ethical values.

Every academic year, our college has taken an initiative to improve the communication skill of the students by organizing 48 hrs Communication skill enhancement program. The aim of this program is to empower our students to take up the future campus recruitment with confidence. All the first year students are evaluated for communication skill by the expert committee. Based on the evaluation students are categorized into **three levels** and students are given appropriate training. This communication enhancement program is conducted by corporate trainers from **Strides & Winspire**.

## *Department Toppers*

A right honor at the right time will have an impact on life forever. The students who have catalyzed their actions into accomplishments by achieving good grades in the University Exams are motivated by the management in different ways by

- ❖ Rewarding **Gold Medalist** with a cash prize of **Rs.50, 000/-** and **University Rank holders** with a cash prize of **Rs.25, 000/-** on Graduation Day.
- ❖ Awarding University Rank Holders with Shields on Graduation Day.
- ❖ Honoring the First University Topper from each Department with a special shield incorporating the name of a famous Personality.
- ❖ Issuing extra book bank library cards for semester toppers to enhance learning skills and better understanding.
- ❖ Awarding merit certificates at the end of each semester for subject toppers as well as overall toppers and special lunch for the semester toppers on that day.

## *NGO Activities*

The world is a two-sided coin which has people blessed with all comforts of life, family on the one side and numerous orphanages, old age homes and homes for CP children on the other side. Our magnanimous Chairman is passionate about extending a supporting hand to these needy people. Also, he wanted to invoke the service mind of our students by encouraging visits to orphanages, old age homes and homes for CP children. About 60 orphanages, 15 old age homes and 5 homes for CP children have been visited this semester. NGO activities serve the dual purpose of bringing out the hitherto concealed concern of young minds to serve the needy people and ultimately make responsible citizens of them, and making them realize how much a comfortable life they have been blessed with.

It is our missionary Chairman dream that every Josephite must be a compassionate citizen. In order to accomplish this, our Chairman has introduced a unique programme termed as **NGO Visit** for the students. Students are provided with transport facilities to visit the NGO homes on activity Saturdays. Our college offers special lunch (Both Vegetarian and Non Vegetarian with sweets, savories and ice creams) to all the inmates of orphanages, old age homes and homes for CP children. All the students enthusiastically participated and mingled with inmates of home and spent the daytime with them and shared their happiness. They also spent their pocket money in useful manner by offering the needy things like rice and other groceries, stationary articles, toys, clothes, pillows etc. for the inmates.

The following are the visits arranged by the Department of Information Technology students during **June 2017-March 2018**.

## *Student Activities*

St. Joseph's acts as a platform for the students to bring out their hidden talents and cultivates experiential learning options outside the classroom. Student activities help, create and foster leadership and involvement opportunities that enhance personal escalation and development.

## *Curricular Activities*

Curricular activities have a number of values like educational value, development of social spirit and worthy use of leisure time. Our students have succeeded in reaching greater heights in publishing papers in various international journals and conferences.

### *Papers Published in International Journal & Conferences by Students*

- ❖ **Ms. B.Sri Aishwarya, Ms. T.Priyadharshin and Dr. S.Kalarani**, Published a paper titled “**A Secure cloud media center Application without Redudancy and Collusion Attack**”, International Conference on Computer Networks and Inventive Communication Technologies (ICCNCT 2018).
- ❖ **Ms. S.B.Sangeetha and Ms. S.Jasmine and Mrs. M.Praba**, Published a paper titled “**Digital Signature Server Using Elliptic Curve Cryptographic Algorithm**”, International Conference on Computing Communication and Drastic Innovations in Energy Thrive.
- ❖ **Mr. V.Karankumar and Mrs. V.Neelambary** Published a paper titled “**Diabetic Retinopathy Detection Using Deep Learning**”, 9<sup>th</sup> National Conference on Recent Issues in Network Galaxy 2018 (RING'18).
- ❖ **Ms. S.Shreeja and Ms. G.Subhashini**, Published a paper titled “**Securing And Transmitting Quantum Data On Wireless Sensor Network**”, 9<sup>th</sup> National Conference on Recent Issues in Network Galaxy 2018 (RING'18).

## *Co-Curricular Activities*

Our college encourages students to participate in various technical symposiums. Our II, III & IV year students have participated and won in many National level technical symposiums conducted by various Universities and Engineering colleges.

## *Extra-Curricular Activities*

Leadership, healthy recreation, self-discipline and self-confidence is all about extra- curricular activity. Sport is one of the most important activity involving physical exertion and skill that builds the student's substantial aspect well. Apart from Curriculum, our department students also outclass in sports and brought laurels to the College in various sports events. Our students also won prizes in intramural sports conducted by our college for our college students.

## *Industrial Visits*

Industrial Visits are arranged from time to time by our college for all the students to interrelate on a consistent basis with Industries and top software companies. The intention of these visits is to boost the student's understanding of information expertise. Such visits will help the students to get a comprehensible thought of the happenings and also to extend their career in the high tech industrial requirements.

An index of some companies which our students have visited as part of Institution-Industry-Interface:

## *Student Chapter Activities*

As an IT Professional in the internet age, we have access to an abundance of technology information from around the world. Keeping in mind the interest of the IT professionals & computer users CSI works towards making the profession an area of choice amongst all sections of the society. For the benefit of the members, the Chapter organizes monthly technical meetings, product presentations, Conferences and Workshops. Computer Society of India conducts a National Level School Students Software Competition every year.

Computer Society of India and St. Joseph's Institute of Technology joined together and conducted **2 Days Workshop on "Information Technology and Essentials"** on **8<sup>th</sup> and 9<sup>th</sup> Dec 2017**.

Computer Society of India and St. Joseph's Institute of Technology joined together and conducted **Young Talent Search in Poster Design and Mobile Application Development**.

## *CLUB ACTIVITIES*

Knowledge is to the mind, what food is to the soul. 'To strive, to seek, to find and not to yield'. Amidst the hustle and bustle of our daily college routine-classes, exams and assignments a feast to the mind can really rejuvenate weary students. That's the objective of club activities in our esteemed institution St. Joseph's Institute of Technology. Different clubs like maths club, English club, Quiz club and Tamil club were initiated and given life by our beloved Chairman **Dr.B.Babu Manoharan** in the year 2011.

### MATHS CLUB

The Mathematics club also conducts various competitions among the Mathematics club members and is performing dual role by inculcating arithmetic ability as well as logical thinking among the club members. Events like Match the Mathematician, Maths Connection will widen the creative thinking of the students on 23/01/2018. The senior students share their experience in facing the different competitions conducted by various colleges and universities in India. The members of Mathematics club have participated in various colleges and universities and they have won many prizes.

## ENGLISH CLUB

The student appreciates the world of Literature in English, learns to read extensively and write accurately through the 'in and beyond' classroom experience. The student develops LSRW skills through interactive learning and gains hands on experience of the language through field work. The student develops literary appreciation, generates creative ideas, expands critical thinking and experiments classroom teaching through well-structured seminars and assignments. The student becomes socially conscious and globally competent with value-based integrated courses. The object of the club is to provide a participative, literary ambience for the students. Various activities such as quiz, creative Writing, Ad Zap, Trivius Corpus and Oratorical and cross word are conducted.

## TAMIL CLUB

Every person has a special affinity to their mother tongue. It is the language that every child starts his or her life with. All our thoughts are best expressed in our mother tongue. In deference to this, our college has always stressed the importance of Tamil.

Club Activities with competitions are held every semester in our college. Programs like Quizzes, Debates, "Battle", "Oliyum-Oliyum", "Kuralnayagan", Oratorical, "Varthaikku" are conducted on 25<sup>th</sup> January 2018. In Addition to this, a special "Patti Mandram" is conducted to commemorate Puratchi Thalaivar Dr. M.G.R's birthday 8<sup>th</sup> February 2018. Highly qualified Tamil personalities are invited to judge this patti mandram. The students showcase their incredible and staggering talents in these events. Their fluency, inherent oratorical skills, vocabulary and the capacity for thinking outside the box continually amaze and electrify everyone around them.

## QUIZ CLUB

The quiz club comprises of student members and faculty advisors. The quiz club serves as a touchstone to sharpen young minds by conducting periodical quiz programs during a semester and nurtures leadership and event management skills in the senior students by encouraging them to organize quiz programs for the members of the club. It is a student run club with the senior student members

taking turns in being quiz masters in the different quiz programs conducted by the club. The quiz masters use their creativity and skill in planning the rounds for the quiz programs.

The different quiz programs hone the young minds and make them technically sound and competent. The quiz club members participate in various quiz competitions held all over Tamilnadu. “There are three principal means of acquiring knowledge...observation of nature, reflection and experimentation. Observation collects facts; reflection combines them; experimentation verifies the result of that combination.” In short our quiz club inspires and kindles students to observe, reflect and experiment. Students are encouraged and motivated to join in various club activities. As a token of appreciation, Cash prizes are awarded and merit certificates are issued for the winners of the events.

In the following years, with The Almighty's blessings and our Chairman never ending support and guidance, our students will shine not only in our institution but in every nook and corner of the world which boasts of our presence – JOSEPHITES.

### ECO-SOC CLUB

For the academic year 2017-18, the activity, “YOUTH EMPOWERMENT” was organized on 21st August 2017. This event was inspired based on the real time conference to be conducted on January 2030 by the United Nations for Youth Empowerment officially named “THE UN YOUTH FORUM 2030”. The “COLASSAL CLASH”, an ECO-SOC Quiz was conducted on 21<sup>st</sup> August 2017. The candidates who could not proceed to the finals of ECO-ZAP Quiz had to sit through an informative round of “Voice your Rights” on 21<sup>st</sup> February 2018. This future realistic event is an open call for all the successive Youth Organizations and Revolutionists on voicing their opinions on various aspects.

The unique feature of this event is that the youth themselves come forward to build their own future world and resolutions are made by them with the approval of the UN. This event was a miniature of such an event to be organized in future. The topic was conceded from ‘THE WORLD’ to ‘INDIA’ where five main Wings took lead in this debate. All the five Wings were apportioned with the five teams of five members each. The Wings are namely 1) Health, 2) Economy 3) Politics, 4) Law and Order, 5) Education.

The Student of department of Information Technology has won “**The Best Reporter**” title in the “**Model United Nations**” held at SSN College of Engineering on 17<sup>th</sup> September 2017.

## GOOGLE STUDENT CLUB

The Google Applied CS with Android aims to improve the technical skill set of fellow students by hosting and organizing several events and workshops. It conducts product/ programme pilots within the campus and helps Google better understand the culture of our campus. The students of the workshop are selected through a screening test where they are tested not only on their programming skills but also on their caliber and creativity.

The Google Club is an initiative by Google Developers for the facilitation of innovation among students and aspiring engineers. The club hosted a one-day Android mobile development workshop on the **13<sup>th</sup> of February, 2018** in our campus. The Google Club of St.Joseph's Institute of Technology conducted **Applied CS and Android Application Development** for 20 students of III year CSE and IT Google Club students.

## CTS CLUB

The Cognizant Student Club is launched to bridge the gap between the college students and the corporate. Pre-final year is the right time for enhancing skills and preparing for placement. In this regard Cognizant student club will facilitates development of skills and competency.

The aim of Cognizant students club is to facilitate continuous grooming of the students to meet corporate expectations. This also provides our students with an opportunity to strengthen their skills & sharpen their knowledge. The club activities include communication & personality development, Exposure to latest technologies, mini projects, Coding test, Bug Identification, mentorship, team building, technical guest lectures. Teams from various colleges will be given tasks and the college who have been actively involved in the club activities will be motivated by providing exciting prizes for the best performing college, team, star performer & best mentor. St.Joseph's Institute of Technology was consistently performing well and acknowledged by Cognizant for their best performance.

The Cognizant Student Club Members from 16 colleges were given the task for the month of February as delivering a presentation on current affairs. The students made their presentation on 28<sup>th</sup> February and 1<sup>st</sup> March, 2018. The best performance was given to St.Joseph's Institute of Technology.

## GLUG

The GNU/Linux Users Group also known as GLUG is a student-driven community formed with the guidance of the Free Software Foundation Tamil Nadu (FSFTN) that fosters and encourages students to use and contribute to free and open-source technologies, art and licenses. A bi-weekly meet-ups has been organized where the students come together to learn something new related to free software technologies like GNU/Linux, Bash, Ruby, Python, Git, Django, etc.

## ***Business English Certificate***

The Business English Certificate (BEC), a certification from Cambridge University, ESOL, is a qualification which is specifically in English for work, whether it is industry, business or government. BEC is a skill based qualification; it gives students the opportunity to learn practical language skills and show to employers how good they are in these skills.

The English learnt is directly relevant to the English that they will use every day in the workplace. To gain a BEC Certificate students have been assessed in the four areas namely, listening, speaking, reading and writing. When students sit for the BEC examination, they are tested in all these skills through a series of practical tasks and interview questions. The tasks and questions are taken from real workplace situations.

BEC certification is given under three levels- Preliminary, Vantage and Higher. Every year the diagnostic test is conducted for all the students in the second semester and they are categorized under the three levels. Based on the levels, Training is given to the students in the third semester. During the fourth semester, the BEC examination is conducted by the Cambridge University in our College campus itself. The details of the department results are as follows:

### **BATCH: 2016-2020**

## *Intra-Department Symposium*

“Some succeed because they are destined to but most succeed because they are determined to.” is the chanting mantra of our college which aims to train students for various Inter Collegiate competitions by conducting Intra Departmental Symposium. The technical symposium for this year was conducted on **22<sup>nd</sup> June, 2017**. The events conducted were Guesstimate, Reverse Coding, Technical Quiz, Impromptu and Model Presentation.

These events lined the way for the students to impart to the practical knowledge. Diverse facets of our students came into light. Prizes were distributed to the talented Josephites. The total cash prize of **Rs. 10,000** was given to the students. The prize winners for various events are:

## ***BEST STUDENT AWARD***

Success is not the destination that we reach. Success is the quality of our journey. The quality of the journey depends upon the goals we set and the mentors we choose. The quality of the mentor lies in appreciating even the smallest effort as appreciation is the only tool which enables us to build the impossible. Mankind's greatest achievements have come about by constant encouragement. Our greatest hopes could become reality in the future if our efforts are recognized. With this the possibilities are unbounded. All we need to do is to appreciate and encourage the young minds as most achievers are people who have made a strong and deep dedication to pursue a particular goal. St. Joseph's recognizes this dedication by awarding the students with "The Best Outgoing Student Award". ## *Special Occasions*

**IFDHAR** Our College celebrated Ramzan on **18<sup>th</sup> June 2017**. All the Muslim students in our college undergone fasting within the campus. The early morning food called as “sahar” according to the muslim custom, was served with delicious items by the college in the mess at 4.30 a.m. In the evening, the Muslim students are well served for the “ifthihar” that is for breaking the fasting at 6.30 p.m, dates and cool drinks along with the porridge. The hostel students attended Namaz in their respective hostel rooms. Special Namaz was conducted at 1.00 p.m on Fridays. During Ramzan fasting period, prayers were conducted in our college mosque.

**ONAM** The festival of rice harvest was celebrated on **1<sup>st</sup> Sep 2017** with great spirituality and delight. All Malayali students came with full rejoice to participate on this special occasion. Our Beloved Chairman attended this festival with his family and conveyed his wishes to all the students. Malayali students dressed up in their traditional wear, particularly girls wearing the kasavu saree and performed kaikottikali, Malayalam pattu and Nadakam. The celebration was called off with the grand dinner where the menu includes aviyal, erussery, pulissery, nenthram pazham and different types of payasams.

**TEACHERS DAY** Our College celebrated the Teachers day as a special occasion from **Aug 28 to Sep 5 2017**. The students entertained the respective departments faculty members with unique shows on that special day. Our Management gave gifts to all the teachers of our college as a token of appreciation.

**VINAYAKA CHATHURTHI** Our college celebrated Vinayaka chathurthi on **25<sup>th</sup> August 2017**. Lord Vinayaka's birthday was celebrated by decorating the Ganesha Statue in our college temple with flowers. Pooja was grandly performed in the temple in the presence of our beloved Chairman family. Delicious food was offered to the lord and Kozhakatai was distributed to the students. Many students came forward to participate on that occasion and filled in with all blessings of Ganesha.

**AYUDHA POOJA** Our College celebrated Ayudha Pooja on **28<sup>th</sup> September 2017**. The traditional Ayudha pooja celebrations took place by arranging Kolu for 9 days in our college from the day of Mahalaya Amavasya till Vijayadasami. On this special day, all the laboratories and office were beautified with plantain trees, mango leaves and glazing papers which was followed by a pooja in the presence of Chairman family. The remarkable parts on this celebration were the mouth-watering lunch, sweets and ice creams that were served for all the students and staff. Gift vouchers for deepavali were distributed on the day of ayudha pooja to administrative staff, technical staff, non-technical staff, drivers, sweepers, scavengers, workers in the mess and daily wage workers.
